Consult the owner's manual for complete installation instructions and proper clearances to combustible surfaces prior to installing fireplace.

All specifications, framing dimensions, product designs, materials and colors are subject to change without notice. The actual flame pattern and color may vary slightly from the illustrations. Diagrams and illustrations are not to scale.

B - Vent Fireplace Insert

The Hotshot gas fireplace insert will turn your drafty wood-burning fireplace into an efficient, clean burning, gas heater featuring a 25,000 BTU burner, variable speed blower, and heat exchanger. It includes a six-piece fibre log set with glowing embers for the essence of a mesmerizing fire and will operate with the fans turned off.
